

Imagine... an insurance program dedicated to profiting...
the world

**Creating Capital to
Change the World**

Our Purpose

The Christian Foundation is operated by insurance professionals dedicated to supporting charitable and Christian service organizations around the world.

This program is available through:

The Benefit

The Christian Foundation workers compensation program allows you to make a substantial commitment to one of the ministries in the program—at no additional cost to your business!

You Can Make a Difference

Your insurance policy can make a significant difference in foreign missions. Your policy can change lives and communities.
